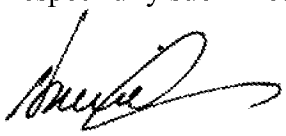
REMARKS

Claims 1-21 are pending in the application. Claim 6 is objected to, but is stated to be allowable if rewritten in independent form. The limitations of claims 4-6 have been added to claim 1 to place the limitation of claim 6 in independent form. It is therefore submitted that claim 1 and all claims dependent thereon are now in condition for allowance.

Claim 11 – 21 have been canceled, without prejudice, in order to expedite allowance of the application. The applicant reserves the right to pursue such subject matter or related subject matter in a related patent application.

In light of all of the above, it is submitted that the claims are in order for allowance, and prompt allowance is earnestly requested. Should any issues remain outstanding, the Examiner is invited to call the undersigned attorney of record so that the case may proceed expeditiously to allowance.

Respectfully submitted,



David S. Jacobson
